The Sun and the Wind

The Sun was high up in the sky. She felt big, strong and happy.

Over the hill the Wind was blowing. He also felt big and strong. Even stronger than the Sun! He challenged Sun to a competition.

"The one who gets the little boy's jacket off of his body, will be the winner," Wind suggested. Wind took the first turn.

He blew as hard as he could towards the little boy. But the boy only held onto his jacket. No matter how hard he blew, Wind could not get the jacket away from the little boy.

Next Sun had her turn. She smiled, and started burning hotter and hotter. Quickly the boy took off his jacket because it was so hot outside.

With a smile Sun turned towards Wind. "I win! I am the stronger one!"

Being warm and friendly will always make you a winner.
