A. Your teacher will read the story with you. Listen carefully and read with your teacher. Then answer the following questions.

Mommy gets sick

by Anzelle Muller

I've heard of the nasty virus. They call him Mr COVID-19. Everyone is afraid of him. But not us, no... We always wash our hands and wear our masks.

Then mommy got sick. She was feverish and coughed a lot. Daddy took her to the doctor. We were worried. But Daddy explained it was just Mrs Flu and not Mr COVID-19. Thank goodness our hand washing and mask wearing helped.
