

INFORMAL ASSESSMENT COVID-19 01b Discussion Worksheet

1. Divide the class into groups of 4 learners each. Then choose a team leader.
2. After they have viewed the video “**01a Story**”, each learner in the group gets the opportunity to opt for one of the choices below and to motivate his/her choice:

“If I must choose, the worst effect of the COVID-19 pandemic is...”

- 2.1. Not being able to shop freely.
 - 2.2. Not being able to travel any time you want.
 - 2.3. The fear that you are next in line to be infected.
 - 2.4. The fear that one of your loved ones will be infected.
 - 2.5. That my dad/mom/guardian may lose their job.
3. Get consensus in your group for one of the options under question 2 plus your motivation. The team leader then presents this option to the rest of the class together with your motivation.
